Subject: Follow-Up from Today's NERL Sr Staff
Attachments: Strategic Foresight Report-Dec_2016.pdf; ORD October MBR for NERS Sr Staff.pptx

Following up on today's NERL Sr Staff meeting a few attachments and reminders/clarifications.

- Attached is the Strategic Foresight Report
- Attached are slides from the ORD MBR
- For our hiring discussion, please thinking about following 4 categories
 - 1) Technical Support (GS 7-11)
 - 2) Administrative Support
 - 3) Fed Post Docs
 - 4) Skills Gaps (e.g., exposure modeling, watershed/hydrology modeling)
- Related the first item (Strategic Foresight – Science Futures), the action item from the EC is actually to identify nominees for a Futures Planning Group to develop a path forward. Nominees can be at any level in the organization. However, I did misspeak about the timing for nominations. I thought it was the end of this week, but **nominations are due by COB today** – so let me know if you have any thoughts or if you are interested.

Thanks
